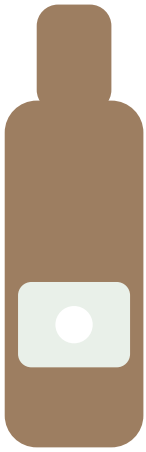
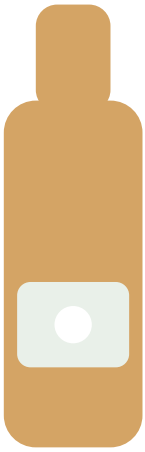
DRINKS THAT TRAVEL WELL.

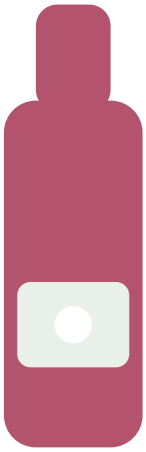
A curated selection for coffee counters, chillers and neighborhood shops. This catalogue is for range discussions; formulations and cases may vary by market.



OAT BARISTA



PEACH TEA



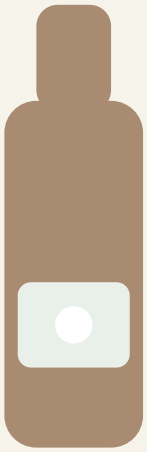
BERRY FIZZ

WHAT YOU WILL FIND INSIDE

Pages 2-3: chilled coffee, tea and sparkling refreshment. Page 4: seasonal additions and ordering notes. Product imagery is illustrative; check pack codes before ordering.

COFFEE & TEA

Everyday chilled range | assortment notes



NORDIC BREW / OAT LATTE

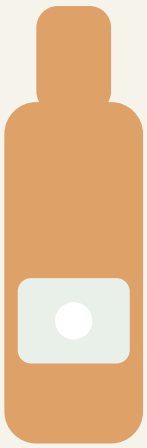
Creamy ready-to-drink oat latte with coffee extract. Chill before serving. Naturally contains sugars; not a sugar-free product.

Supplier item: BD-OATLATTE-250

250 mL can | 24 cans / tray

Contains oats; may contain traces of soy.

Best enjoyed cold. See separate product sheet.



LEAF & PEACH / PEACH ICED TEA

Soft peach aroma and brewed black tea. A popular 500 mL PET on-the-go option for convenience retail.

Our reference: BD-PEACH-500

Display unit: 500 ml PET | case of 12

Sugar content: refer to pack label for latest recipe.

Storage: ambient before opening.

NEW SEASONAL ARRIVALS

Not every item is present in the buyer ERP

Ordering ref: BD-MANGO-250

Slim can, 250 mL

Caffeine: 30 mg / 100 mL

Availability: subject to allocation

IMPORTANT FOR BUYERS

Supplier SKUs identify Baltic distribution lines, not manufacturer barcodes. For complete allergens, validated nutritional panels and shelf life, request the relevant current technical documents.

This portfolio is a marketing catalogue, not a binding technical specification. The supplier may revise product descriptions without notice.
