Baltic Drinks Distribution Sp. z o.o.

Gdansk, Poland | Distribution and trading operations

To our customers,

Baltic Drinks Distribution Sp. z o.o. operates documented controls for supplier qualification, incoming goods checks, traceability and product recall coordination.

Our company distributes packaged beverages produced by independent manufacturing partners. Manufacturing certifications held by those partners do not automatically apply to Baltic Drinks Distribution.

This statement does not itself certify ISO 22000, BRCGS, IFS or organic status for any product or manufacturing location. Copies of current third-party certificates are available only when specifically requested and verified.
